SANGRILLA BAGHBAN

DHOLERA-SIR

Sangrilla Baghban is a premium residential development strategically located at the gateway of Dholera SIR, India's first and fastest-emerging Greenfield Smart City. Offering well-planned residential plots and luxurious porch villas, the project is designed for those seeking a refined lifestyle combined with long-term investment potential. Surrounded by the transformative growth of Dholera, Sangrilla Meadows presents a unique opportunity to secure a prestigious address in one of India's most promising development corridors.

Thoughtfully planned with modern infrastructure, wide roads, landscaped surroundings, and a future-ready environment, Sangrilla Meadows delivers the perfect balance of comfort, connectivity, and community living. Its strategic location provides seamless access to key infrastructure developments, including the Dholera International Airport, expressway networks, industrial zones, and major government-backed smart city initiatives that are shaping the region's future.

More than just a residential project, Sangrilla baghban is a gateway to India's next growth revolution. Whether for investment, a future home, or a premium lifestyle destination, it offers the rare advantage of being positioned at the forefront of Dholera's extraordinary transformation-where vision, opportunity, and long-term value come together.
